*More than a year after the devastating earthquake of Jan 12, 2010 that hit Haiti, the country is still struggling to recover. Rebuilding efforts are moving along and schools are opening back up. Haiti ARISE has had the privilege this year to face the needs of the communities of Grand-Goave, providing a new elementary school from pre-school to 4th grade. We have also taken on a community home rebuilding program, construction of an on-site medical clinic and continue classes for the technical college. Many young people are benefiting from our Education Fund program.*

*Your support of Haiti ARISE Ed Fund helps to pay for school fees, uniform, books & materials. Please pray for health, safety, nourishment, spiritual growth, wisdom and continued education for your student.*
